

easy to use

effective in delivery

efficient in energy utilization

economical to own & operate

enduringly reliable

STEP MIG SERIES

the eWeld CO₂ MIG / MAG series:

- is a medium duty MIG/MAG welder
- designed for medium to heavy duty workload
- in-built wire feeder & cylinder tray for working convenience
- produces quality welding result with deep penetration & good weld pool
- has inbuilt protection circuitries against current & temperature extremities
- can endure reasonable current fluctuation

SPECIFICATION	eWeld 328Si
Power Rating	AC 400V @ 50/60Hz
Rated Input Capacity (KVA)	14.2
Output Current (A)	60 - 328
Welding Wire Diameter (mm)	0.8 - 1.2
Weight (kg)	110
Dimension (mm)	760 x 450 x 730

ISO9001 C €
